

Ecoprint Textile Craft Development at WHDI Sleman Towards the Establishment of a Tourism Village

by Dr.Drs.I Wayan Suardana MSn

ABSTRACT

This training activity aims to provide some material related to efforts to develop Ecoprint technical skills at WHDI Sleman. The methods used in this activity are presentations, demonstrations, and individual and group practice. The activity was attended by 20 participants consisting of the WHDI Sleman Group. The material presented is acceptable, digestible, and well understood by the participants. The number of participants is proportional to the number of devotees (4:20) making this training more conducive. The activity went smoothly, on time and as expected and the participants were able to communicate well with the speakers and other participants.
