

TRAINING ON WRITING OF SCIENTIFIC WORK OF CLASSROOM ACTION RESEARCH RESULT OF SMK MUHAMMADIYAH 1 TEMON TEACHERS

by Ashadi, Tri Kusnawati, Roswita Lumban Tobing, Maman Suryaman

ABSTRACT

One of the efforts to generate motivation to write articles on the results of classroom action research is by increasing the teacher's interest in conveying arguments and opinions that are supported by literature or previous research. The purpose of carrying out this community service activity is: to increase teacher literacy and motivation in writing articles starting from writing essays that aim to spark the enthusiasm of teachers up to training in writing literature reviews that can be used in efforts to carry out classroom action research. The target audience for this activity are SMK Muhammadiyah 1 Temon teachers. The total number of participants was 27 teachers. The Training took place from June, 5 to August, 10 2022, uses lectures, dialogues, and the practice of making articles. This training is carried out offline and online.
