### **ABSTRACT**

The purpose of this PkM activity is to introduce, provide knowledge and skills for the game of Pickleball to PJOK teachers at the KKG Elementary School, Turi District.

The method used in this service is a direct approach, namely with theoretical material in the room, discussion, demonstration, practice, and evaluation. The audience of this PkM activity are all PJOK teachers at SD KKG in Turi District. The steps for implementing PkM activities are as follows: 1) Collaborating with KKG Teachers PJOK SD Turi District, 2) sending invitations to teachers or participants, 3) Implementation of service activities, 4) Conducting evaluations on the implementation of service activities, and 5) Prepare reports on the implementation of service activities.

The PkM activity with the title "Introduction and Pickleball Training for KKG Teachers PJOK SD Turi District" can run well and smoothly. The PkM activity was held on Saturday, October 22, 2022 at the Bangunkerto Village Hall and was attended by 21 teachers. The results of the evaluation of PkM activities were that the teachers expressed satisfaction with the activities carried out.
