

TRAINING OF RESEARCH METHODOLOGY OF UNY AND LR DAV COLLEGE JAGRAON STUDENTS INDIA

by sugiyono, suyanto, nurtanio agus p., Ebtana sella

ABSTRACT

UNY students and Lr Dav College Jagraon India requires facilitation from higher education institutions to be able to answer and find solutions to existing problems: 1) Building motivation (willingness) college student at UNY and Lr Dav College Jagraon India in improving understanding of implementation research methods; 2) improving understanding college student at UNY and Lr Dav College Jagraon India in implementation research methods; and 3) improving technical abilities and skills college student at UNY and Lr Dav College Jagraon India in implementation research methods. Determine the number of participants who will take part in the PPM, namely 25 students from UNY and Lr Dav College Jagraon India, a total of 25 training and training participants will be carried out in 3 days. or a minimum of 16 meeting hours.

Methods of activity in this training are Lectures, Discussions, Questions and Answers and Simulations and are carried out in Online Mode. Evaluation of activities is carried out during the process and at the end of the training, on the aspect of achieving training objectives and also in conducting training. Evaluation of the process and results (achievement of training objectives) was carried out by means of a questionnaire. Evaluation of the aspects of the training was also carried out by providing a questionnaire. There are 2 methods of success in implementing training for the research methodology, namely: (1) evaluation during the training process, and (2) post-training evaluation.

This service activity is carried out using an online method with the ZOOM Meeting facility. The selection of the method is in accordance with the recommendations from the two universities so that the implementation of the training can take place effectively and efficiently. The training has been held on August 10-12 June 2022 attended by 25 participants. The results of the training are as follows (1) Building motivation (willingness) college student at UNY and Lr Dav College Jagraon India in improving understanding of implementation research methods. (2) Improve understanding college student at UNY and Lr Dav College Jagraon India in implementation research methods. (3) Improve technical abilities and skills college student at UNY and Lr Dav College Jagraon India in implementation research methods.
